Digital Medicare for Agents

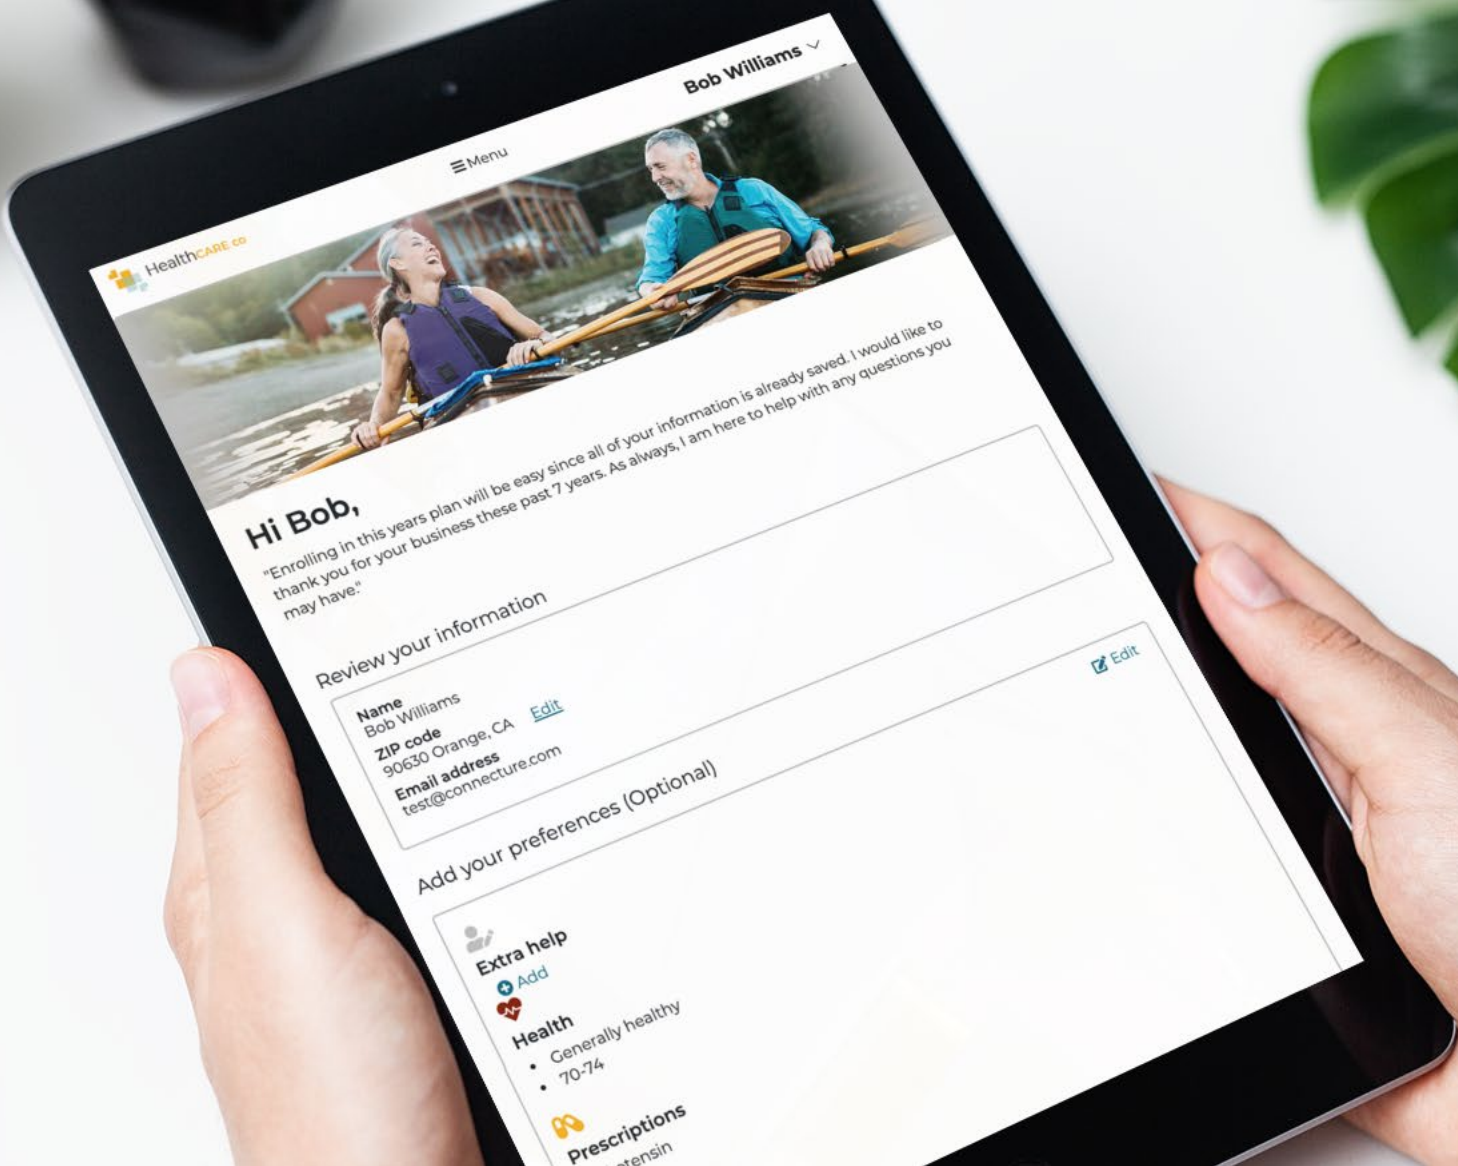

Powered by  CONNECTURE
DRX

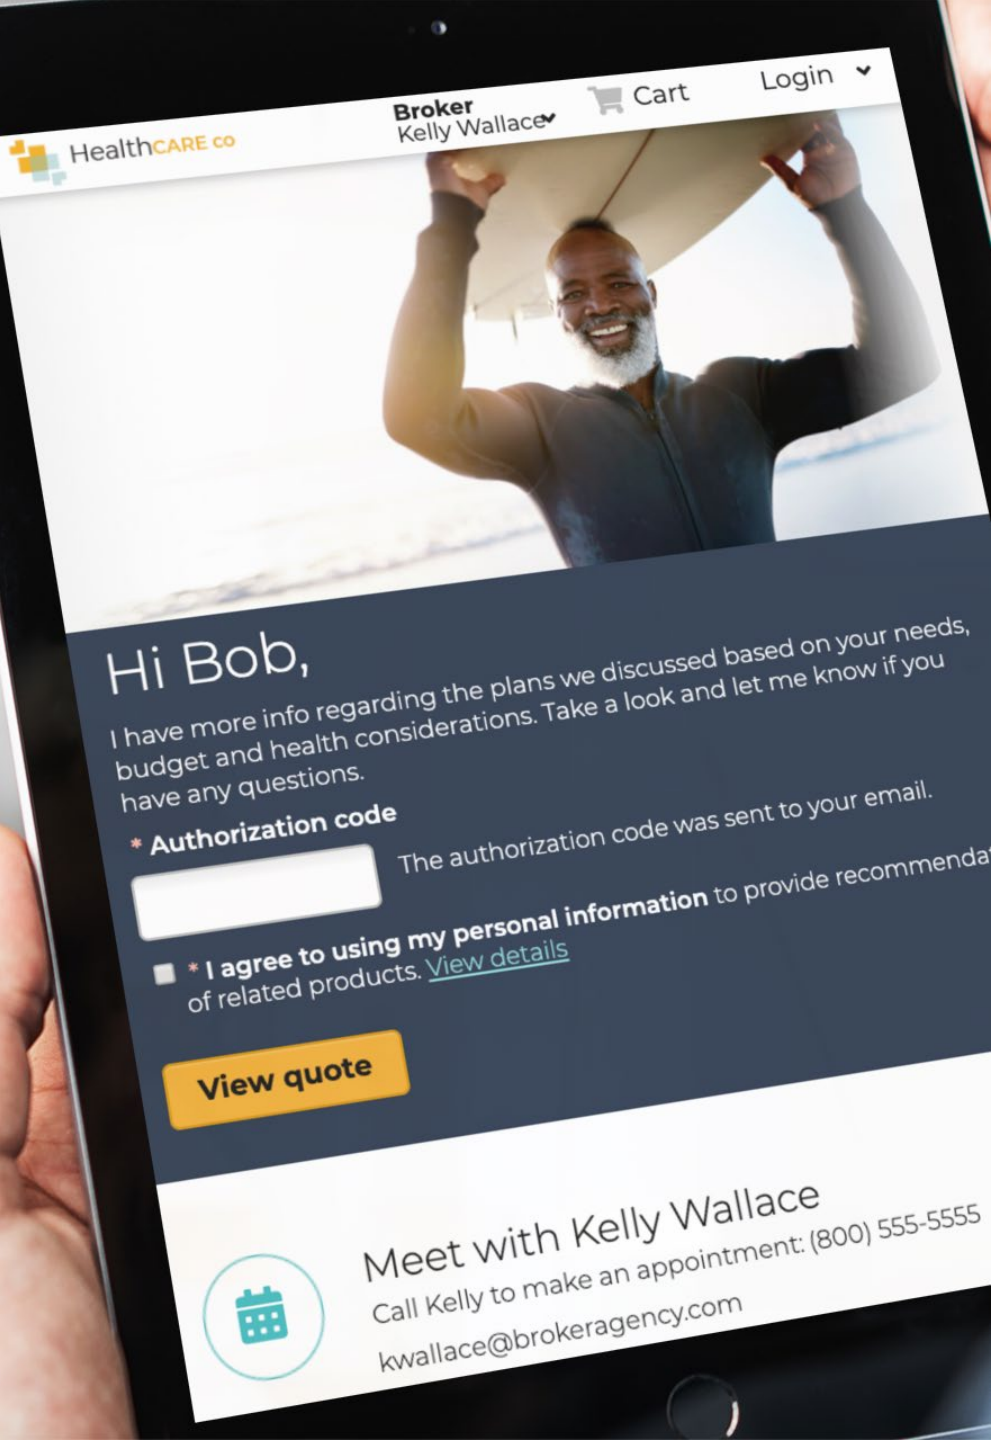

Meet seniors wherever you are with Digital Medicare

Shop, Quote, Enroll
and Retain
Customers.

Online.

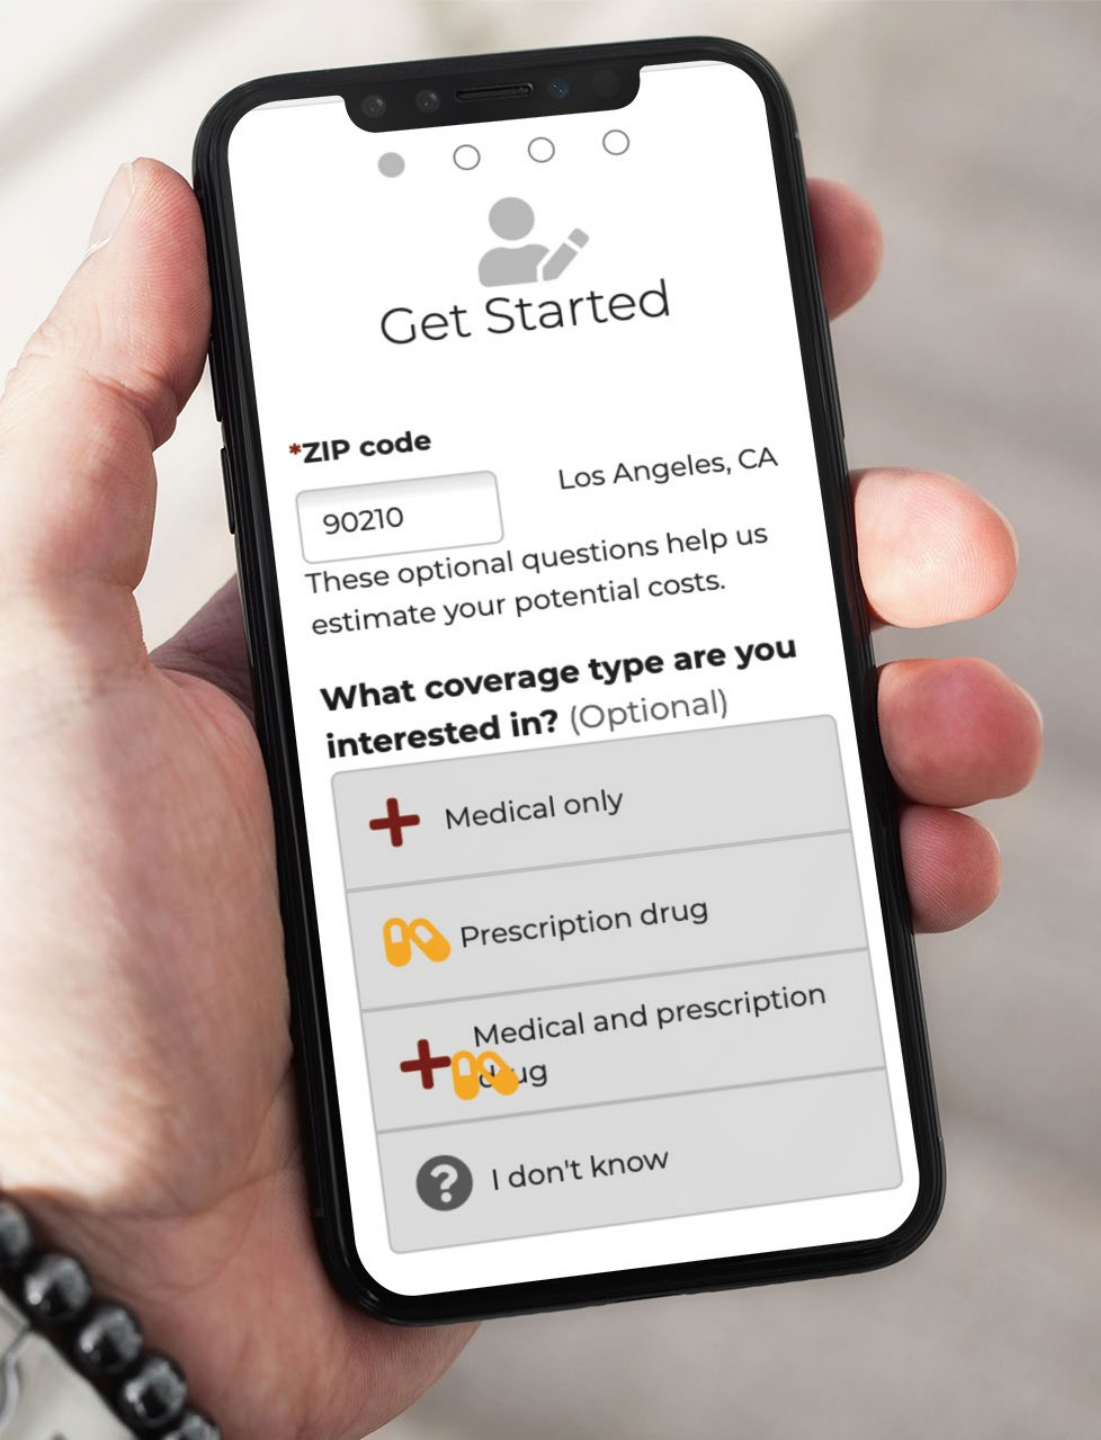

On any device.

Manage your world from **ONE** location.

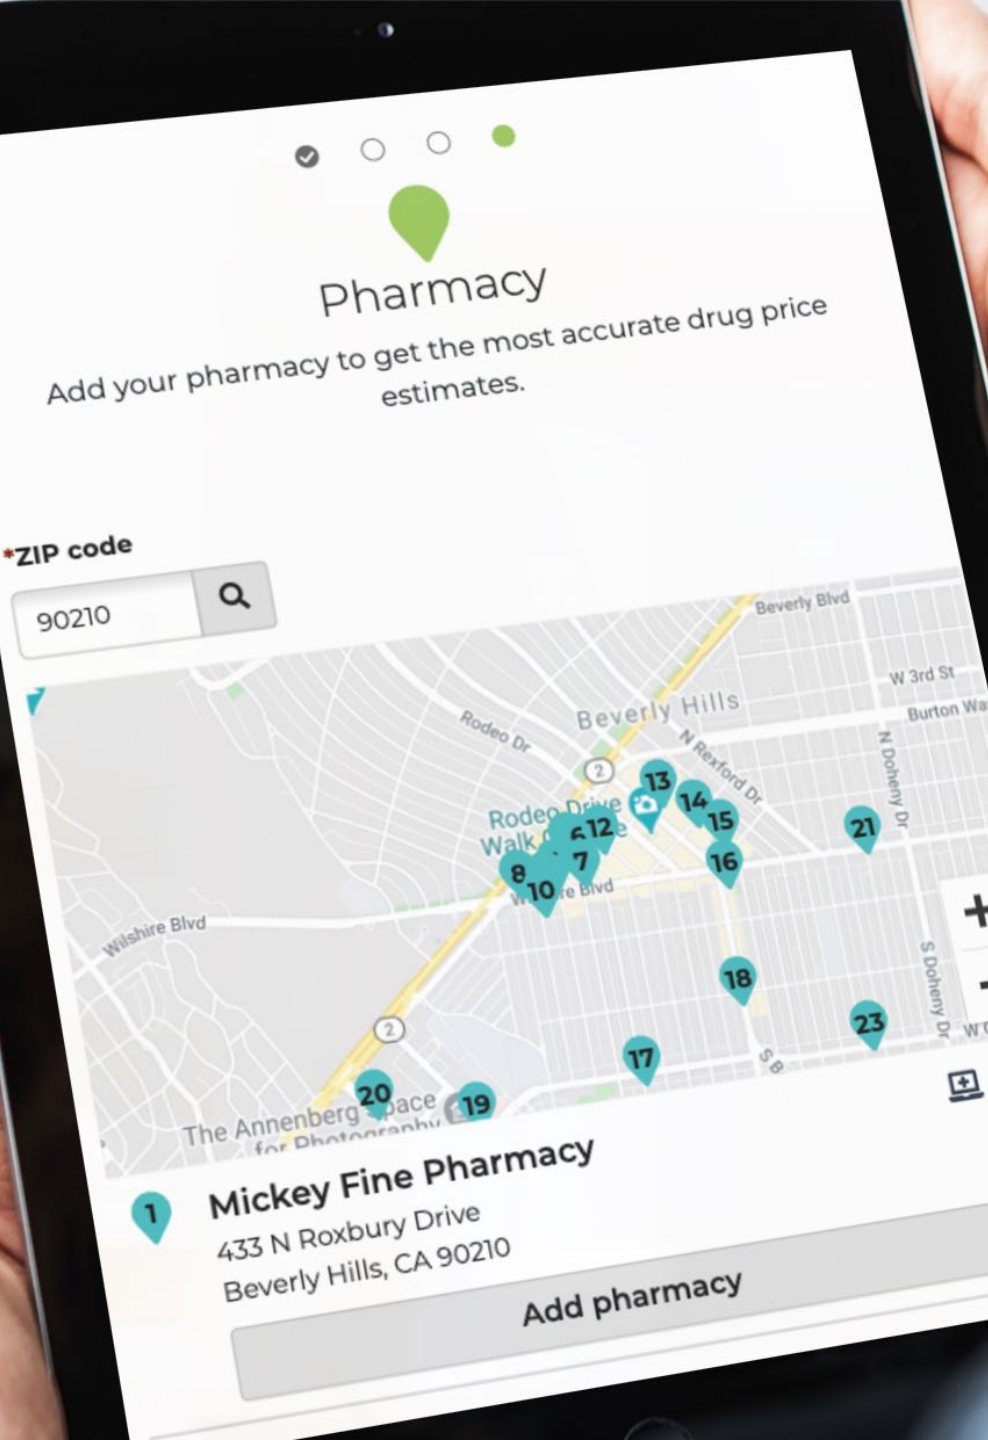

- Access an extensive list of Carriers
- Quote
- Manage your Book of Business

Deliver the **most accurate** cost estimates

Direct seniors to **Guided Help** for a more personalized experience and ensure accurate costs, based upon:

- Health Status
- Age
- Subsidy eligibility
- Prescriptions
- Pharmacy

Provide the most **accurate drug costs**

- Deliver pricing **based on LOCAL** pharmacy pricing (NO regional averages ever used)
- **Save drug lists** and improve quote accuracy
- Ensure beneficiaries always see reliable **annual out-of-pocket estimates** when medicine cabinet is included

**Armed with the most accurate costs,
beneficiaries will know they found
their best fit plan!**

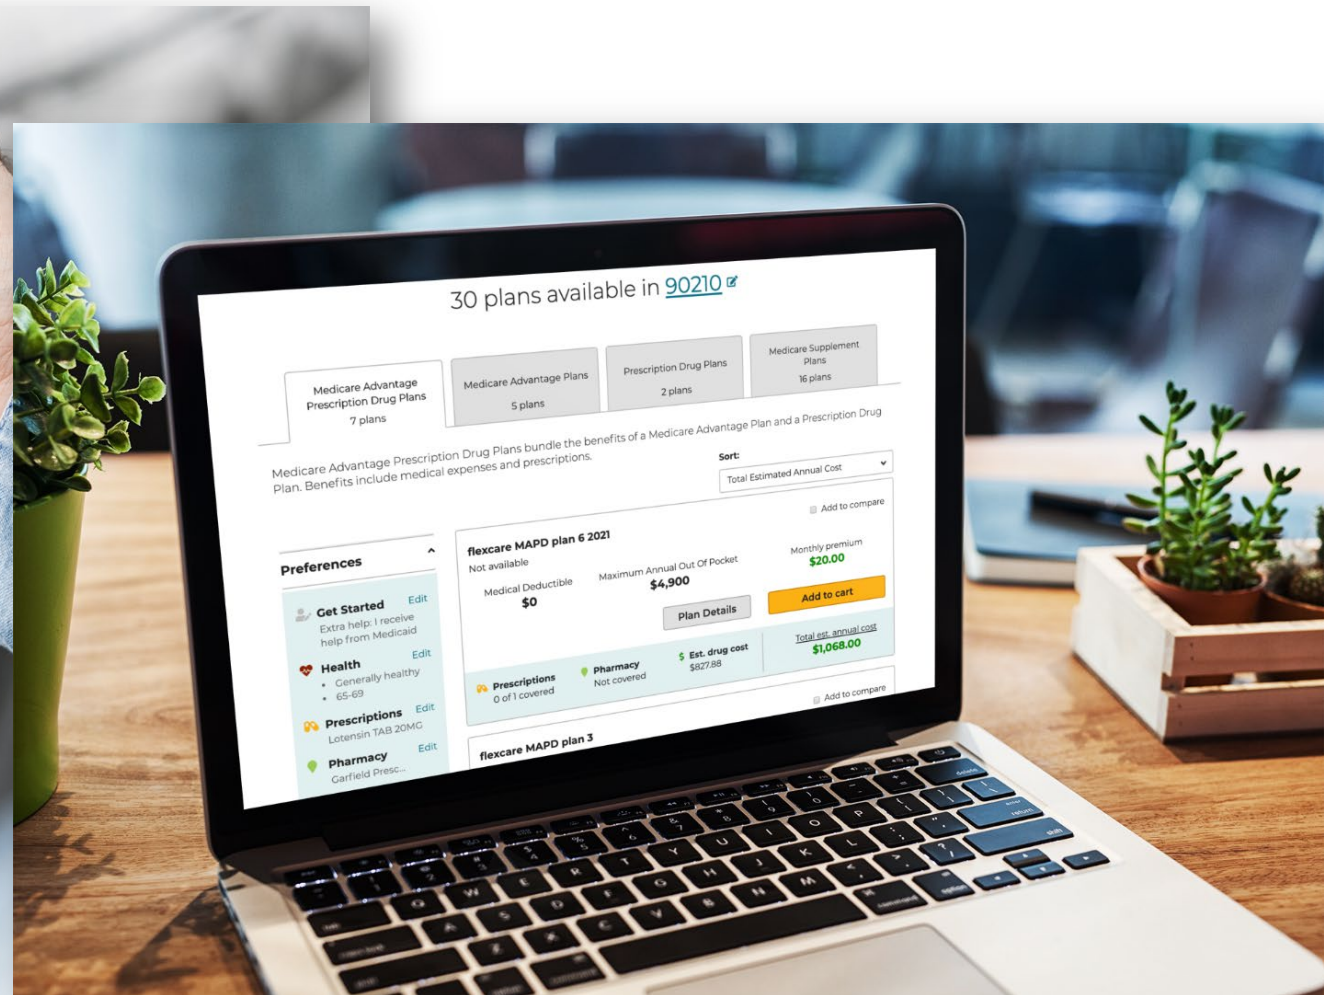

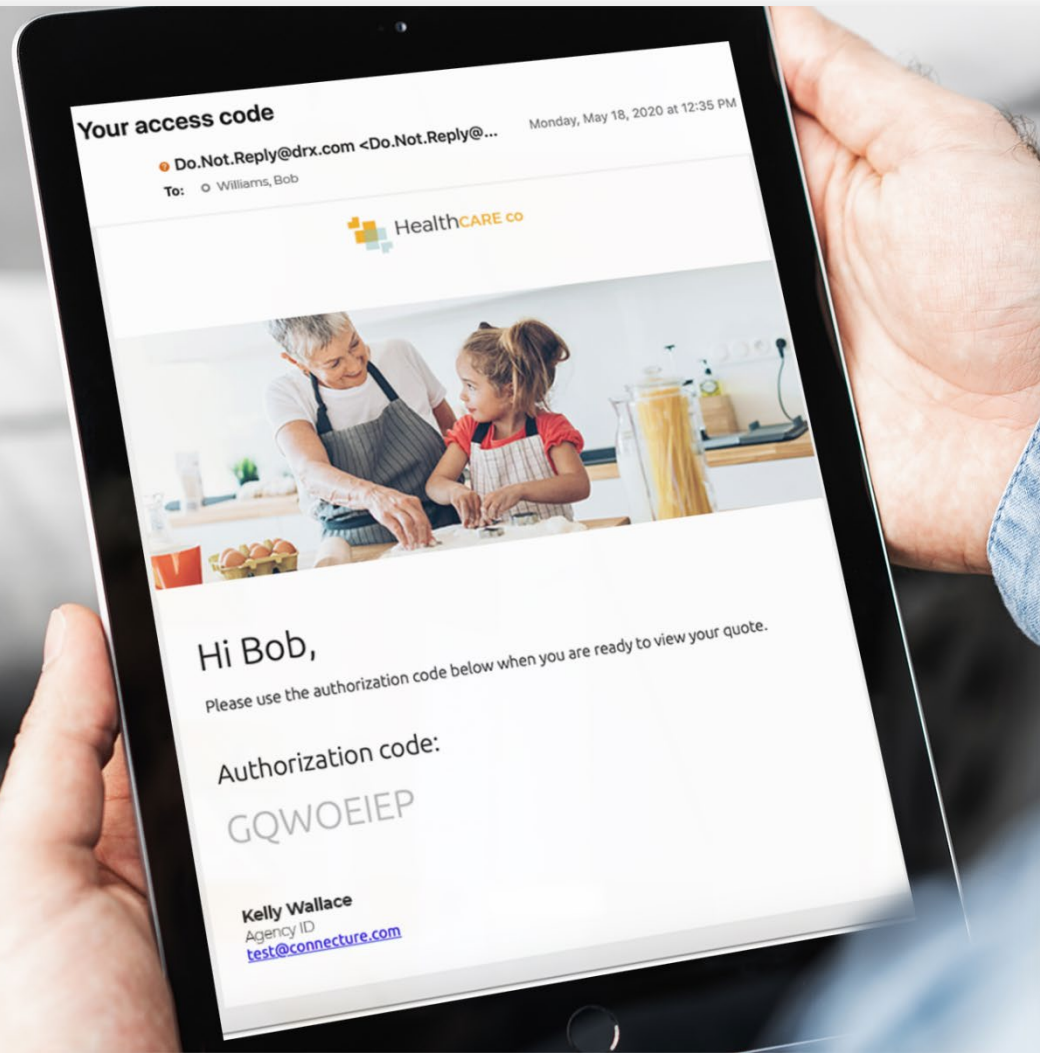

Stay fully compliant while teleworking with our electronic **Scope of Appointment**

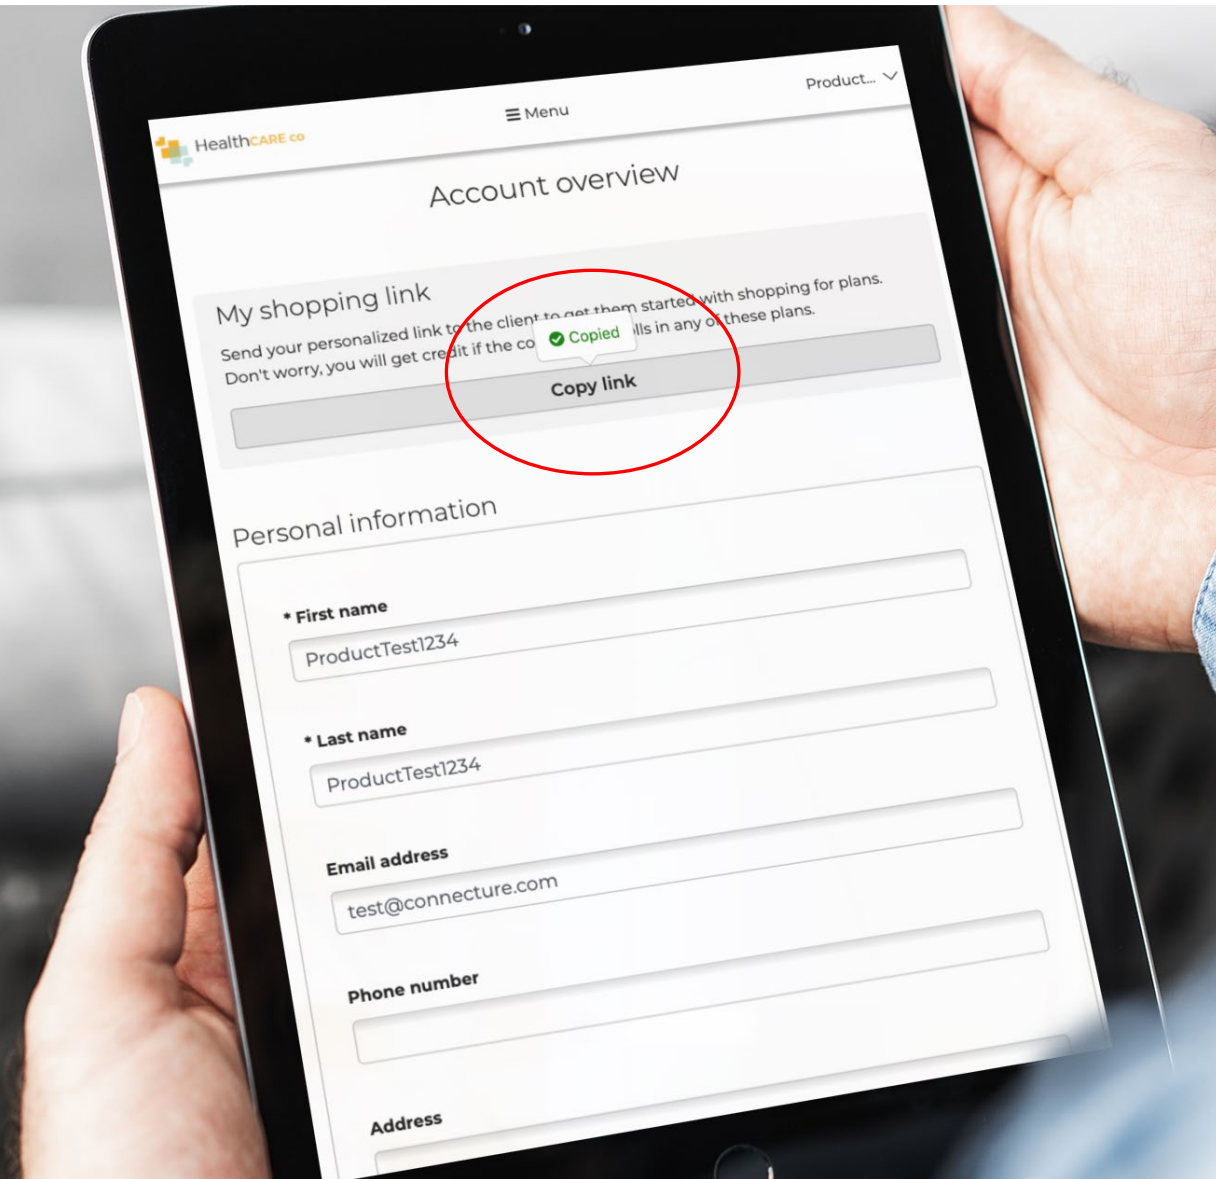

- Easily connect with beneficiaries to complete, add or upload SOAs
- Store completed custom forms on the beneficiary profile and retrieve in future

Send a Quote Electronically

Beneficiaries see plans and easily complete their enrollments online

Increase self-service with your Shopping Link

- Your Shopping Link (**Personalized URL**) allows beneficiaries to **self-serve** by shopping and enrolling on their own.
- Commissions securely tied to every enrollment

Encourage Self-Service Enrollments

Pair beneficiaries with their best fit plans. Every time.
